

"BE THE BEST YOU CAN BE"

APRIL/MAY 2020

COMING EVENTS

MAY 9 BAND DAY POSTPONED

MAY 10 MOTHER'S DAY

BAND DAY: Band Day 2020 plans are underway for September!

You are now in the midst of distance learning. We are all learning from this new experience. For some it has been rough, for others it has been most rewarding. We want it to be rewarding for all as we experience being in our homes quarantined, keeping each other safe and healthy. The following are helps and ideas to get us through until we can all be back to living our normal lives.

If you have questions you can still call the school at 701-572-6532

CHROME BOOK HELP: If you are having issues with your student's chrome book please go to the Williston schools district #1 web page. At the top right it reads District learning, click on it. Please read through it, you may find the answer to your question. If not, there is a technology trouble ticket you can click to get the help you need.

SCHEDULE/PLAN: One of the most important things you can do to help things go smoother is to stick to a schedule Monday thru Friday. Get up at the same time each day having a normal routine. Students should be getting online and doing there assignments according to the schedule the teachers have set up. If you have questions about classroom assignments or anything else about online learning, please contact the teacher first.

FAMILY TIME IDEAS
